

PPWR CUSTOMER COMPLIANCE DOCUMENT

Article 20MLDT | Customer-facing document | No confidential supplier details

1. Supplier / responsible manufacturer

Company	Dragon Trade B.V.
Address	Voordeldonk 83, 5721 HL Asten, The Netherlands
Chamber of Commerce	70621268
VAT	NL858397511B01
E-mail	info@dragontrade.nl
Website	www.dragontrade.nl

2. Product identification

Declaration / document no.	DT-PPWR-20MLDT-2026-01
Article number	20MLDT
Description	Single-use PET bottle for beverages
Nominal capacity	20 ml
Empty bottle weight	6.87 g
Neck size	18 mm
Material	PET - Wankai WK-821 bottle-grade resin
Declared recycled content	0% based on supplier chain declarations retained by Dragon Trade B.V.
Identification / branding	Dragon.nl marking on bottle

3. EU Declaration of Conformity - PPWR

Declaration status: **DRAFT - sign only after the open Article 5 evidence items in the confidential technical file have been closed.**

This EU Declaration of Conformity is intended to follow the structure of Annex VIII of Regulation (EU) 2025/40.

1. Unique identification	20MLDT - 20 ml single-use PET beverage bottle, 6.87 g, 18 mm neck.
2. Manufacturer	Dragon Trade B.V., Voordeldonk 83, 5721 HL Asten, The Netherlands.
3. Responsibility	This declaration of conformity is issued under the sole responsibility of Dragon Trade B.V.
4. Object of declaration	Transparent/uncoloured PET bottle, article 20MLDT, manufactured from WK-821 bottle-grade PET resin; Dragon.nl identification on bottle.
5. Relevant Union legislation	Regulation (EU) 2025/40 on packaging and packaging waste (PPWR), to the extent requirements are applicable to this packaging on the date of issue. Other applicable Union food-contact legislation remains separate.
6. Standards / technical specifications	Technical evidence and supplier declarations are retained in Dragon Trade B.V. Technical File DT-PPWR-TF-20MLDT-2026-01. Supporting

	material report: FCM2581410.
7. Notified body	Not applicable / none used for the internal-control conformity assessment, unless required by a future applicable measure.
8. Additional information	Dragon Trade B.V. retains signed and stamped upstream supplier declarations establishing traceability from WK-821 PET resin through preform production and blow moulding to article 20MLDT. Confidential supplier identities, addresses and signatures are retained in the technical file and are not included in this customer copy.

IMPORTANT BEFORE CUSTOMER ISSUE

The current Wankai report and the two supplier-chain declarations establish valuable material and traceability evidence. However, the current file does not yet contain direct evidence for the PPWR Article 5(5) PFAS limits or for total Pb + Cd + Hg + Cr(VI) concentration under Article 5(4). Keep this customer document as a draft until those points are adequately supported.

4. Product compliance information supplied to customers

- Packaging type: single-use PET bottle for beverages.
- Material identification: bottle-grade PET, grade WK-821.
- Article: 20MLDT; nominal capacity 20 ml; empty bottle weight 6.87 g; neck 18 mm.
- Dragon Trade B.V. maintains confidential upstream material and manufacturing declarations as part of its PPWR technical documentation.
- The underlying supplier names, addresses and signatures are not included in this customer copy. They remain available within the confidential technical file for compliance and competent-authority purposes.
- This PPWR customer document does not replace a separate food-contact Declaration of Compliance where such a declaration is required under applicable food-contact legislation.

Supplier-chain documentation status: signed and stamped declarations from both the preform manufacturer and the blow-moulding manufacturer were received on 7 August 2026. These declarations confirm the documented material path from Wankai WK-821 PET to finished article 20MLDT without additional resin, recycled PET, colourants or additional additives being introduced in those two manufacturing stages.
